8 am	Judge	<b>South Ring:</b> Santa Gertrudis, Limousin, Zebu	CB#2
------	-------	--	------

	Judge	<b>North Ring:</b> Hereford, Simmental, Simbrah	CB#2
--	-------	---	------

After Judging	Release	Hereford, Limousin, Santa Gertrudis, Simbrah Simmental, Zebu (Must be out by 6 pm, Feb. 9)	
---------------	---------	--	--

# BRAHMAN

*DEPARTMENT OB-1*

**San Antonio Stock Show & Rodeo**

**\$3,100.00**

The American Brahman Breeders Association, 3003 South Loop West, Suite 520, Houston, TX 77054; (713) 349-0854.

## **SPECIAL RULES**

1. Animals must be registered in the American Brahman Breeders Association (ABBA) to be eligible to compete in association sponsored shows. The registration certificates (or photocopy) for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.
2. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class; (2) the sire of each get-of-sire entry; and (3) the dam of each produce-of-dam entry must be listed on the entry form of each animal entered.
3. Entries that have not complied with rules one and two will not be eligible to show, receive premium monies or earn points in the association's Register of Renown.
4. Animals to be eligible to be shown in group classes must be entered and shown in individual classes.
5. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. Include animal identification number (number brand) as a part of identification. When entering the arena for judging, the handlers will line cattle up numerically in the same order.
6. Judges will be allowed to comment on placings in selected classes when conditions permit.
7. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances for cosmetic purposes shall be prohibited. If to the satisfaction of the ABBA's staff, officers, executive committee or board of directors any animal has had its natural conformation and structure altered; then said animal shall be ruled ineligible to compete until such time the executive committee and owner/owners have reviewed the case.
8. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of the individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.
9. For females being shown in the three oldest classes (females calved Sept. 1, 2006 - August 31, 2006, for Fall Shows; females calved Jan. 1 - Dec. 31, 2006 for Spring Shows), exhibitor must have a certificate of pregnancy issued by a licensed veterinarian to be presented to show officials at time of check-in or registration paper check. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. Females exhibited in the last class at the Spring Shows MUST have a calf at side. For Fall Shows the last class of females is required to have a calf at side also. The only exemption from this rule will be cows that have already weaned a calf and a registration certificate of the calf MUST be presented to the judge.
10. All bulls will be shown with a nose ring or nose restraint with lead attached. For bulls being shown in the oldest class, the exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. The certificate must be available for inspection by the judge on request.
11. This deals with the produce of dam classes and the get-of-sire class.  
Embryo Produce-of-Dam: Two animals from the above classes produced by one dam by embryo transfer either or both sexes may be represented. No ownership requirement.  
Natural Produce-of-Dam: Two natural born animals produced by one dam from the above classes, either or both sexes may be represented. No ownership requirement.  
Get-of-Sire: Four animals from at least two dams by one sire from the above individual classes, both sexes represented. No ownership requirement.
12. No exhibitor shall be permitted to show more than one produce or embryo produce-of-dam per dam.
13. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. The judge will be made aware by the ring steward for those cows whose calves are ineligible to show by this rule.
14. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.
15. The intent of the ABBA in shows that exhibit a large number of cattle is to divide the cattle into separate red and grey divisions. If so the following procedure will apply. All grey cattle and solid black cattle will show grey. Red, black and white speckled or red and white speckled cattle will show red. Cattle with questionable colored pigmentation may be

entered in the color division the breeder selects, however, said cattle are subject to inspection by a three (3) member ABBA committee. If the Color Committee disagrees with the breeder, the pedigree and color of said animal will then be used to aid in the final determination. In those cases where questionable colored cattle possess both red and grey breeding, then the committee will make the final determination. The decision of the committee is final.

Once animals have been classified they will remain in that classification unless they were young at the time of classification and it is apparent that they have changed their color.

In the get-of-sire and produce-of-dam classes, breeders will not be allowed to show cattle of mixed color. They will be entered as to the color division they are assigned by the Brahman Color Committee for the show.

At split shows where the Color Committee is not present, a staff member with two (2) ABBA directors will clarify questionable colored cattle for that particular show. The final classification will be done by the Color Committee.

16. The owner of record of any registered animal entered in an ABBA approved show and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.

17. For shows to remain approved, point shows by ABBA, they must maintain a 40 head average for the previous two years.

18. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may at the discretion of the Show Management and/or ABBA Officials be split by age as evenly as possible.

### **Red Brahman Classes**

# INTERNATIONAL RED BRANGUS

## DEPARTMENT OB-2

San Antonio Stock Show & Rodeo

\$ 900.00

The International Brangus Breeders Association, P.O. Box 696020, San Antonio, TX 78269-6020; (210) 696-4313

### **SPECIAL RULES**

#### **ELIGIBILITY OF EXHIBITS**

1. Animals must be registered with the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA sponsored show. The registration certificate (or photocopy) for each entry must be available for presentation to the superintendent or show manager at the time entries are verified prior to judging.
2. The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.
3. The registration number, permanent animal identification number (brand or tattoo), birthdate and sire of each animal entered in an individual class must be listed on the entry form of each animal entered.
4. Animals eligible to be shown in group classes must be entered and shown in respective individual classes.
5. Prior to check-in, heads of breeding animals must be clipped of all hair (including topknots) and be free of scurs and/or slick spots.
6. Any animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel or dewlap, will be disqualified from showing.
7. Any animal upon check-in, which does not have a legible tattoo or brand corresponding to its registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.
8. Any Brangus animal recorded in the IBBA registry that has a "Parentage Dispute" listed in its first three-generation pedigree is ineligible for participation in Brangus shows and exhibitions. If the dispute is resolved, the listing will be removed from the pedigree and show eligibility will be restored.
9. In IBBA sanctioned shows, no animal may be shown that has been artificially filled with any amount of liquid at any time once the animal enters the grounds of a show. The fitter or ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from exhibition.
10. No animal may be shown that has had any foreign objects glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. Animals unethically fitted to alter the conformation or appearance of the animal will be disqualified. Tail ties and hair nets used on the tail and switch are the only exceptions.
11. All Brangus bulls fifteen (15) months and older that are exhibited at IBBA sponsored shows (four national shows) must have passed a fertility exam administered by a licensed veterinarian to be eligible to show. Exam results should be sent to IBBA where they will be kept on file. Once a bull has a positive exam on file with IBBA, retesting is not required.
12. If an animal sells at public auction, the sale date becomes the date of ownership of that animal.
13. Entries that have not complied with all the above rules will not be eligible to show, to receive premium monies, or earn points in the IBBA's Show Sire of the Year, Show Bull of the Year, and Show Heifer of the Year awards.
14. All IBBA and IJBBA members will abide by the show rules as adopted. In addition, any show, fair, event or display in which Brangus cattle participate should follow these rules as adopted by IBBA. All Brangus entries are subject to the provision of a rule of the IBBA entitled "Inspection of Exhibits".

#### **INSPECTION OF EXHIBITS**

1. The IBBA and its representatives have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to and cover the enforcement of all show rules as adopted by IBBA.
2. Each exhibitor shall submit his or her registered Brangus cattle to such tests and examinations as requested and/or required by the IBBA, its authorized representatives, or those of the relevant show.
3. For, and in consideration of, the opportunity to participate in any Brangus function, each exhibitor hereby releases the IBBA, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decisions there from.

4. Dental Inspection: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by IBBA in order to determine whether dental development is within allowable limits for the class entered. If the veterinarian determines that, in his or her opinion, dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the IBBA Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.
5. Any exhibitor desiring to dispute or challenge the results of any such test, exam or show rule enforcement as applied to his or her animal shall do so in accordance with procedures established by the Rules of the IBBA.
6. Appeal: An appeal from the decision of the veterinarian or IBBA-designated association representatives under sections 1 and 4 of the "Inspection of Exhibits" may be made to the Executive Committee of the IBBA if the following requirements are satisfied: a) The appeal is in writing and is signed by the appealing party; and b) the appealing party files the written appeal with the IBBA Executive Committee as soon as possible after the veterinarian's or designated association representative's decision is rendered and in any event within six (6) hours of the time the veterinarian's or designated association representative's decision was made. If an appeal satisfying the foregoing requirements is filed with the IBBA Executive Committee, then said committee shall hold a hearing at which the appealing party, and the veterinarian or designated association representative whose decision is being appealed shall present statements and other evidence that are relevant to the matter, following which the Executive Committee shall render a decision which shall be final and conclusive.

**BLOOD TYPING FOR PARENTAGE VERIFICATION**

1. Each Brangus animal for which an entry application or registration is received may be subjected to a DNA/blood typing test in order to verify both accuracy of parentage and DNA/blood type, according to Rules 1 and 2 of the IBBA Inspection of Exhibits.
2. At selected shows and fairs, blood samples will be taken from all division champions and reserve division champions for the purpose of verifying parentage and blood type. IBBA staff will supervise the collection of blood samples, which can be taken at shows, fairs and events where the IBBA contributes premium money or where IBBA staff personnel participate. Cost of the blood typing procedure will be paid for by the IBBA.
3. If a recorded parent is excluded (as a parent) as a result of blood typing, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being listed in the IBBA Registry as a "Parentage Dispute", and the animal will be ineligible for future shows and exhibitions.

# BRAUNVIEH

## DEPARTMENT OB-3

San Antonio Stock Show & Rodeo	\$ 300.00
Braunvieh Association of America	\$ 300.00
Texas Braunvieh Association	\$ 300.00
<b>Total</b>	<b>\$ 900.00</b>

The Braunvieh Association of America, 3815 Touzalin Ave Ste 103, Lincoln, NE 68507; (402)466-3292.

### SPECIAL RULES

1. Animals competing in the Braunvieh Show must be duly recorded in the Braunvieh Association of America (BAA) Herd Book.
2. Animals must be fullblood or purebred (7/8 Braunvieh blood for females and 15/16 Braunvieh blood for males) to qualify for the FB/PB Braunvieh Show. The BAA reserves the right to provide the judge and audience with Expected Progeny Difference (EPDs) values, ultrasound data (collected by a certified technician), scrotal circumference for bulls, weights, and ratios for performance and weights with weight-per-day age. These performance figures can be presented in their entirety or any combination deemed necessary by BAA.
3. Heifers exhibited at 20 months of age or older (not females in cow/calf class) must be accompanied by a certificate of pregnancy by a licensed veterinarian. For heifers used in embryo transfer, a certificate of positive fertility issued by a licensed veterinarian must be available for inspection.
4. Cow calf pairs to 30 months old will show in appropriate heifer class as age would indicate. Those same pairs can compete for champion female/heifer. Pairs older than 30 months will compete separately and will not be eligible for champion female/heifer. Calves exhibited in the cow/calf cannot be over 9 months of age. Calves from the cow/calf class can be entered as individuals in the show.
5. Bulls will be eligible to show until they reach 32 months of age. Bulls exhibited at 14 months of age or older must have a positive semen test and a certificate to that effect. The certificate must be available for inspection.
6. Braunvieh entries should be entered in a specific show class when entered. No class shall contain more than 12 head or have an age spread of more than 90 days, unless the animals are over 2 years old. Classes will be divided into as nearly equal numbers as is possible. Class division will depend on natural age breaks of entries and the final number of animals checked in.
7. No dyes, paints or other substances to alter animals natural color will be allowed, violation will result in disqualification.
8. No cosmetic surgeries other than surgical dehorning will be allowed, violation will result in disqualification.
10. Only generally accepted fitting practices will be allowed. Violation will be cause for disqualification. Braunvieh Association of America show committee will make ruling on case by case basis. Animals disqualified will forfeit entry fees, awards and show points. Appeals will be forwarded to the Braunvieh Association of America ethics committee and their Executive Vice President.

- 34 Best-Six-Head: Owned by exhibitor. All animals must have been shown in their respective single entry classes and they must be owned by the exhibitor or by a member of his/her immediate family. A cow/calf will be considered as two head in the Best Six Head class.

# LIMOUSIN

## DEPARTMENT OB-5

### MEDAL OF EXCELLENCE \* LEVEL 3 SHOW

San Antonio Stock Show & Rodeo	\$500.00
Texas Limousin Association	\$100.00
<b>Total</b>	<b>\$600.00</b>

The Texas Limousin Association, P.O. Box 880, Krum, TX 76249; (940) 367-4633

### SPECIAL RULES

1. Animals must be registered with the North American Limousin Foundation, be 75% Limousin, or greater as indicated by registration certificate. Percentage and purebred cattle shall compete in same classes.
2. All animals must be properly tattooed and will be inspected at show. Tattoos must be legible and must properly match the registration certificate.
3. There are no limitations as to color or color markings of Limousin cattle shown.
4. The North American Limousin Foundation reserves the right to disqualify any animal that has been fitted in an unethical manner.
5. All protests against exhibitors or individual animals dealing with the age or genetic background of show cattle must be submitted in writing and signed by five Lifetime members of NALF and presented to the show superintendent within 12 hours after completion of the show.
6. Exhibitors are subject to the provisions and rules as set forth by the NALF and Texas Limousin Association.

# AMERICAN RED BRANGUS

## DEPARTMENT OB-6

San Antonio Livestock Stock Show & Rodeo \$900.00

The American Red Brangus Association, 3995 East Hwy. 290, Dripping Springs, TX 78620; (512) 858-7285.

### SPECIAL RULES

1. Animals must be registered in the herd book of the American Red Brangus Association (ARBA) and have a legible brand that corresponds with the registration papers. The registration certificate must be available for presentation to superintendent or ARBA sifting committee. Owners must be a member in good standing of ARBA or AJRBA.
2. Animals must be entered and exhibited under the recorded ownership at the time of the shows entry deadline. Jointly owned animals must be entered under the joint ownership.
3. Animals must be polled. Heads of all animals will be clipped close to the skin (hair less than 1/4") and be free of scurs. Surgical removal of scurs is a disqualification.
4. Any animal found to have scurs or evidence of incision, surgical or otherwise, in the following area - head, navel, testicles, sheath, or dewlap will be disqualified from showing.
5. No animal will be shown that has any foreign objects glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. The dying or artificial changing of the overall natural color of an animal is prohibited. Animals may not be brindled, black or have excessive white or white in front of the navel. Animals will be solid red with pink nose.
6. Bulls 18 months or over must have a valid, satisfactory semen test within 120 days of the show date. Females 24 months or over must have a certificate of pregnancy issued by a licensed veterinarian available for inspection or have a calf at side and be lactating with the exception of those in an embryo donor program which may be open within 90 days of the show date, after 90 days, they must be bred. A veterinarian's certificate of embryo work must be presented. Calves at side must meet registration requirements of the ARBA, be natural calf of cow, and the cow must be in lactation.
7. All bulls must be shown with a nose lead or nose ring with lead except bull calves by the side.
8. Animals eligible to be shown in group classes must be entered and shown in individual classes.
9. The ARBA has the right to verify age.
10. All members of the ARBA, active or junior, will abide by these show rules as adopted. In addition, any show, fair, event or display in which Red Brangus cattle participate should comply with these rules as adopted by the ARBA Board of Directors.
11. Judging of Open Shows for Red Brangus will be based on "desirable" characteristics as entered into the ARBA By-laws, Article XV - Standard of Excellence for Red Brangus Cattle.
12. Only judges that are on the approved list in the ARBA office will be allowed to judge. Such judges are to be familiar with the breed and the Standard of Excellence for Red Brangus Cattle.

40 Get-of-Sire: Three (3) animals, both sexes represented, must be within age limits of individual classes and must have been exhibited in their respective classes. Must all be the product of one sire.	
41 Produce-of-Dam: Two (2) offspring, the product of one cow. Must be within age limits of individual classes and must have been exhibited in their respective classes.	
42 Breeder's Herd: Four (4) animals, both sexes represented, bred by exhibitor or immediate family member and must have been exhibited in respective classes.	

# SANTA GERTRUDIS

*DEPARTMENT OB-8*

San Antonio Stock Show & Rodeo

\$ 900.00

The Santa Gertrudis Breeders International, P.O. Box 1257, Kingsville, TX 78364-1257; (361) 592-9357.

## **SPECIAL RULES**

1. Heifers 24 months of age or older, to be eligible, must have produced a calf or be safe in calf as verified by a graduate veterinarian. If animal is open due to being in an embryo transfer program this fact must be verified by a written statement signed by a licensed embryo technician.
2. A cow shown with a calf at side: Calf must be her natural calf meeting the standard of excellence.
3. All senior bull classes (late junior yearling bull and over) must have either a nose ring or nose clip for show purposes.
4. All animals must be individually identified by tattoo, numerical firebrand, or freeze brand.
5. To be eligible to compete in SGBI approved junior shows, animal(s) must be recorded in the name of the junior member. This recorded junior must feed, fit, care for, and show the animal entered.
6. All animals must be exhibited with the hair brushed down on the entire body, legs and tail with no foreign objects attached to the animal in a manner as to alter the animal's conformation or change its appearance. Exhibitors failing to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards and points won by same exhibitors.
7. Each animal exhibited must be exhibited with the correct age and shown in the class corresponding with their correct age.
8. Entries in each class will be placed 1, 2, 3 etc. Animals are to be presented in descending order according to age.
9. Polled classes will be entered at the same time as class entries are required by each show. Animals will be lined up according to age for the judge.
10. To be eligible to show in Best of Polled, animals to be slick polled, with no scurs, no scars, no dehorning, and with no evidence of horny tissue. Animals will be inspected by Field Service Representative (if present) assisted by one member of the Shows and Exhibits Committee or Breed Standards Committee, if needed to settle disputes. If no Field Service Representative is present, it will be done by committee members not involved in that class.
11. SGBI reserves the right to tooth animals without prior notice to the breeders in order to verify age of cattle.
12. There must be at least five exhibitors and twenty-five (25) head of cattle, or a minimum of fifty (50) head of cattle to constitute a recognized Santa Gertrudis Show.
13. In all shows in which fifty (50) head or less entered, all early and late classes may be combined at the discretion of the show officials.
14. Classes with over thirty (30) entries should be divided into sections and section winners return for final placing.
15. The judge must be an SGBI approved judge.
16. Each exhibitor must be a member in good standing with SGBI.
17. Dress for showing in an approved SGBI show shall be of clean and neat clothing. Hats or bareheaded with no caps. This is for both Open and Junior shows. No tennis shoes.
18. Juniors showing in open shows is allowed and encouraged. Entry must be shown by the owner or immediate family member (sister, brother, mother, father, grandparents). No animal may be fitted or shown by any open exhibitor at any time during the junior's ownership period. An exception is transportation, feed and care, to a show may be allowed. Refer to junior ownership rules.
19. Each animal shall be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical, or other appearance change for cosmetic purposes, save only branding, tattooing, foot trimming or dehorning. Silicon injection or other injections for cosmetic purpose shall be prohibited.
20. If entries are not properly fitted and good herdsmanship followed, the owner may be asked to not display their cattle until adhering to the proper procedures as outlined in our herdsmanship paper.
21. Ethics: The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. Unethical fitting will be deemed to consist of any method altering the natural conformation of any part of the animal's body. Animals showing signs of having been operated upon or tampered with for the purpose of concealing faults in conformation or with intent to deceive relative to the animal's soundness will be disqualified. Every exhibitor, in consideration of his entry being accepted, agrees to submit any animal so entered by him to inspection and agrees to have such animal submitted to any tests as may be designated and requested by the Shows and Exhibits Committee and agrees that the conclusions reached by the committee as to whether such animal is unethically fitted or overage, shall be final, without recourse against SGBI and designated personnel. Any false representation, interference or unprofessional

conduct on the part of any exhibitor will be dealt with by the Shows and Exhibits Committee according to the equities of the case.

22. Any exhibitor whether it be the owner or custom fitter or anyone else who has the custody of the animal being shown in any SGBI approved show, who shows an animal which has had an anabolic steroid administration to it either by injection or diuretic or any other administration, shall be barred from showing in an SGBI approved show for a period of six (6) months for the first offense, one year for the second offense and for life for the third offense. The animal shall be barred from ever showing in a SGBI approved show again.

23. No pumping or filling of an animal with liquid, air, or any other substance is allowed. Violations will result in disqualification and banning from all shows of that exhibitor and/or owner.

24. Any exhibitor who knowingly shows an animal in a SGBI approved show who is in violation of the rule herein above set forth relating to showing an animal in its natural conformation and structure as defined herein above may be suspended by the Board of Directors for six (6) months for the first offense, one year for the second offense and for life for the third offense.

25. Any person who furnished the birthday of the animal to SGBI either on the IPRA of some other document (whereby that birthday information is transferred to the registration certificate) and that animal is exhibited in a SGBI approved show with an incorrect age and the age determined by the SGBI designated veterinarian exceeds the age listed on the registration certificate by more than 30 days, the person furnishing the birthday above and such person furnishing said information to SGBI for inclusion on the registration certificate shall be barred from showing in a SGBI approved show for a period of six (6) months for the first offense, one year for the second offense and for life for the third offense. However the animal, if transferred to another owner, may be placed in the correct class and be shown again.

26. Each exhibitor shall submit his registered Santa Gertrudis cattle to such tests and examinations as may be requested and/or required by the SGBI, its authorized representatives, or the authorized representatives of the relevant show or fair.

27. For and in consideration of the opportunity to participate in any SGBI approved show each exhibitor hereby releases SGBI, its officers, directors and representatives from negligence, any and all claims, suits and judgment past, present or future, arising from or connected with the administration or use of such test or examination and the resulting decision there from.

28. Any exhibitor desiring to dispute or challenge the results of any test, exam, or show rule enforcement, as applied to his animals, shall do so in accordance with procedures established by the rules of the association.

29. Appeals: An appeal from the decision of the veterinarian or designated association representation designated by the SGBI under sections 1 and 4 of the Inspection of Exhibits may be made to the Executive Committee of SGBI if the following requirements are satisfied:

- (a) the appeal is in writing and is signed by the appealing party; and
- (b) the appealing party files the written appeal with SGBI Board of Directors or SGBI Representative or fair officials as soon as possible after the veterinarian's or designated association representatives' decision is rendered and in any event within six (6) hours of the time of the veterinarian's or designated association representatives' decision was made. If an appeal satisfying the foregoing requirements is filled with the SGBI Board of Directors, the Board of Directors shall hold a hearing at which the appealing party and the veterinarian or designated association representatives whose decision is being appealed shall present statements and other evidence that is relevant to the matter, following which the Board of Directors shall render a decision which shall be final and conclusive.

30. Procedures to File Protest:

- (1) File protest with the show that infraction occurred. Follow their protest rules.
- (2) File the same protest with the Shows and Exhibits Committee. Contact the chairman.
- (3) Three exhibitors must sign the protest.
- (4) All protests must be in writing and accompanied by a deposit of \$100.00, cash or certified check, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of the complaint or appeal and must be delivered to the Shows and Exhibits Committee within twenty-four hours after the occasion for such protests.
- (5) Order of hearing a protest:
  - a. Chairman of Shows and Exhibits Committee
  - b. Action by Shows and Exhibits Committee
  - c. Final action by Board of Directors
  - d. Follow appeal procedure as outlined in Rules and Regulations
- (6) All rules and regulations that have been properly protested to the Shows and Exhibits Committee shall be subject to the following penalties:
  - a.) Loss of Premium Money
  - b.) Loss of Awards
  - c.) Suspension from showing that animal as deemed necessary. Penalty may be for one, two, or three shows or as long as deemed necessary for the offense.

d.)Suspension of the exhibitor being the same as other SGBI Rules penalties.

31.Failure to adhere to each shows specific rules shall also be subject to these penalties. Proper protest procedures must be adhered to according to that particular show's rules. SGBI will follow each show's rules and any action taken by a show will be upheld by SGBI in relation to its bearing on our point show system.

32.Disqualifications: An exhibitor who has been disqualified from competition in any livestock show or has had a premium withheld or withdrawn on the grounds of rule violation(s) will not be allowed to compete in other shows. This shall include, but is not limited to, disqualification for fraud, misrepresentation, unethical fitting or deception. Judging procedures will not be interrupted for protest investigation; and depending on the basis of the protest, a decision may be withheld until a thorough investigation is completed. No complaint or appeal that a judge over-looked an animal will be considered. If any exhibitor, in any way, whether in person or by their representative, interferes with the judge(s), or shows any disrespect to them or to show officials, the existing show may excuse him/her from the ring and exclude them from further competition; exhibitor premiums that may have been awarded may also be withheld. If an animal is disqualified after having won awards or premiums, the animals placing below him may be moved up (at the option of the Shows & Exhibits Committee) to fill the vacated position.

# TEXAS LONGHORN

## DEPARTMENT OB-11

San Antonio Stock Show & Rodeo

\$ 1,300.00

**Total**

**\$1,300.00**

The Texas Longhorn Breeders Association, PO Box 4430, Fort Worth, TX 76164; (817) 625-6241.  
The South Texas Longhorn Breeders Association, 1506 Harwood Rd., Luling, TX 78648, (210) 827-3940.

### **YOUTH HALTERED SPECIAL RULES**

1. All rules in the TLBA & TLBT Official Handbook apply.
  2. Any member in good standing of the TLBT may show in TLBT shows through High School Graduation or Graduating Senior not exceeding 19 years of age on National Show date (June).
  3. Longhorn calves must be registered with the Texas Longhorn Breeders Association of America and must be 180 days of age to show. However, they are not required to be registered in the name of the youth. A copy of said registration must accompany all entry forms for verification of age and registration – no pending registrations will be accepted.
  4. Cattle may be subjected to mousing by a certified veterinarian for verification of age.
  5. Texas Longhorn Breeders of Tomorrow shows are considered open shows. Cattle may be owned by youth, ranch or other breeders of Texas Longhorn cattle.
  6. NOSE LEADS with strap (not tongs) will be used on bulls 12 months and over.
  7. A dress code will be enforced at these shows. The dress code will be: Western attire, long sleeve shirt with collar and cuffs. Western boots and western jeans are to be worn while in the ring. Western hats (not caps) may be worn. Violators of this rule will be disqualified upon the discretion of the show committee.
  8. In Showmanship Class you must exhibit an animal that was shown in competition in the same TLBT Show.
  9. All Longhorn exhibitors must contact a TLBBA representative listed above, prior to sending entries, in order to insure inclusion in the show program and in order for points to be properly recorded and reported.
- Substitutions will only be allowed within each show after entry deadline.**

**YOUTH** Showmanship will be immediately following the Youth Show

**NON-HALTERED SPECIAL RULES**

1. Animals must be registered with the TLBAA and must be 180 days of age to show. Nursing calves (205 days or less) may be shown with its dam at owners discretion. Exhibitor must be in good standing of TLBAA.
2. This show is recognized as a World Qualifying Open Show and will therefore be governed by the rules and regulations for the qualifying circuit and the Texas Longhorn World Show in addition to the rules of the San Antonio Stock Show & Rodeo.
3. The 1st and 2nd place animals in their respective class are automatically qualified for the World Show. In the event the 1st and/or 2nd place animals have already qualified at a previous show, the 3rd and/or 4th place animals are qualified etc. Class numbers are for this show only. Age breaks are the same for the World Show.
4. All Longhorn exhibitors must contact a TLBBA representative listed below, prior to sending entries, in order to insure inclusion in the show program and so that qualifying information for the World Show may be properly recorded and reported.

# ZEBU

## DEPARTMENT OB-12

The International Zebu Breeders Association, P.O. Box 1424., Quinlan, TX 75474; (903) 356-6803 ext 51.  
Ribbons will be given in classes and trophies for the Champions, Produce-of-Dam, and Get-of-Sire.

### SPECIAL RULES

1. Exhibitors are subject to Rules of the IZBA and must be an Active or Junior member with current dues paid and a minimum of 51% of their herd registered with the IZBA.
2. Animals must be registered as a IZBA Registered Breed. The exhibitor must designate "Zebu" on the entry form and the animal must show in the group entered. There will be no reclassification at the Show.
3. Females 24 months or older must have a Certificate of Pregnancy, issued by a veterinarian, or be exhibited in a lactating state with calf at side. Calves at side must be 240 days or less. The IZBA reserves the right to palpate animals.
4. Bulls 24 months or older must have a Certificate of Fertility, issued by a veterinarian. Nose leads are optional on all bulls.
5. Double Entry in ABBA must be made on a separate entry card and mailed in the same envelope with IZBA entries.
6. Natural Produce-of-Dam: Two animals the produce of one cow, either sex, shown in any class, no ownership requirement.
7. Get-of-Sire: Three animals all by one sire, both sexes represented, no ownership requirement.
