

REMINDER

*You and your students must sign the “Certificate of Originality.”
By signing this form, you are both agreeing that the work done is completely original.
Originality, for the purpose of this contest, includes composition.
Please do not allow your students to copy from ANY published artwork,
including, but not limited to, textbooks, magazines, encyclopedias, etc.*

These Artwork Receipts are printed “3-up.” Each page is enough for THREE students! After you have duplicated enough receipts for all your students, cut the three receipts apart, have your students complete the form, then make a copy for yourself and /or your students. We will keep the original with the artwork, and you will need the copy to claim your piece(s) after the show.

Please do not modify the form. We have put a lot of effort into the design of these tags, and we use them to identify the piece for our records, while keeping the student and school identities concealed during judging.

DO NOT FILL IN AND ID#. *We will assign the numbers as we receive the artwork. But please have one completed form for each piece of artwork when you drop off your artwork for the judging.*

Because we have had to disqualify so many pieces due to copying, we are asking your students to tell us their “source.” Acceptable sources may include: in class model or display, student’s own photograph, an old family photograph, student’s imagination, etc.

REMEMBER - NO COPYING FROM PUBLISHED MATERIAL IS ALLOWED!!!!
